LIXIL Americas Highlights Innovative Collections at Kitchen & Bath Industry Show

*American Standard, DXV and GROHE Showcase Self-Cleaning Toilet,
Stylish Luxury Products Including Kitchen Faucet with Foot Control Technology*

ORLANDO, KITCHEN & BATH INDUSTRY SHOW (January 10, 2017) — American Standard, DXV and GROHE, the kitchen and bath brands that comprise LIXIL Americas, are unveiling new kitchen and bath innovations here today that improve health, increase sustainability, and enhance the quality of everyday life.

The key product highlights, outlined below, include a new self-cleaning toilet, a kitchen faucet with a unique hands-free foot control, and a luxury smart bidet toilet loaded with lavish, technologically-advanced features.

“We are pleased to once again showcase the aligned synergies and innovations of the American Standard, DXV, and GROHE brands at KBIS. These iconic plumbing leaders – operating under the LIXIL Americas division – represent sophisticated, inspirational design for consumers, combined with exceptional performance and inventive technologies that continue to raise the standard in the kitchen and bath industry,” said Steven Delarge, CEO and president of LIXIL Americas.

At KBIS, American Standard, DXV and GROHE will be unveiling a wide selection of stylish and innovative new products for the kitchen and bath. The highlights include:

- The stylish and affordable [American Standard ActiClean toilet](#) combines the power of the exclusive VorMax flushing technology – which delivers the cleanest flush ever engineered – with an integrated, user-activated self-cleaning system. Simply press a button, walk away, and let the toilet do the rest – it's that easy.

- The [DXV SpaLet AT200 luxury smart toilet](#) offers technologically advanced conveniences such as hands-free flushing, automated lid opening and closing, and heated seat. This state-of-the-art fixture delivers the ultimate in comfort and performance with a completely adjustable two-nozzle water-spray system with integrated air dryer.

- The innovative, easy-to-use and immensely practical [GROHE Foot Control Technology](#) allows users to switch the water flow on and off with a tap of the foot on an activation plate installed discreetly in the toe space of the kitchen cabinet. This innovative enhancement frees hands for added maneuverability and helps to reduce the spread of germs and bacteria around the kitchen.

“The high-style, groundbreaking products being showcased by American Standard, DXV and GROHE at KBIS this year emphasize human-centric innovations that continue to elevate the quality of consumers’ everyday lives,” said Maha El Kharbotly, chief marketing officer of LIXIL Americas. “Our talented product design and engineering teams are constantly exploring smart new advancements that will further enrich and beautify our homes, our workplace, and our communities through cleaner, healthier and more water-efficient living.”

LIXIL Americas is the exclusive sponsor of the 2017 KBIS Innovative Showroom Awards. A winner will be chosen from each of five categories, with one chosen as the overall Innovative Retail Showroom. The winners will be announced today at 3:15 p.m. at the KBISNeXT stage in the South Hall at the Orlando Convention Center. Awards will be presented by Brian Pagel, vice president, kitchen and bath group, Emerald Expositions, and Michael Donehey, national showroom director, LIXIL Americas.

LIXIL Americas is also the exclusive decorative plumbing sponsor of Modenus BlogTour, which is bringing 24 design bloggers and social media influencers to KBIS. In addition, Modenus X Design Milk Social Lounge – a casual space where social media influencers, influential designers and sponsoring brands can connect and learn from each other – is being sponsored by LIXIL Americas.

For more information on the products featured at KBIS, visit [American Standard](#), [DXV](#) and [GROHE](#) to download the brands’ KBIS 2017 Press Kit materials.
